THE 1ST ANNOUNCEMENT

It is a pleasure to inform you that **The International Symposium on Animal Science 2018** will be held **from 22th to 23th November 2018** at the **Faculty of agriculture in Belgrade - Zemun**, organized by the Institute for Zootechnic, Faculty of Agriculture - University of Belgrade, and Department of Animal science, Faculty of Agriculture - University of Novi Sad.

You are invited to take a part with oral communication, poster presentation or just as a listener. Also, you have an opportunity to present your institution or company at this event.

At the Symposium, the specialists from Serbia and abroad will present results of their research, enabling better transfer of scientific achievements in all fields of animal production and make them more accessible to animal scientists and stakeholders, students and the general public.

Goal of this scientific event is to establish better collaboration between animal science researches from the Universities and research institutions, and specialists from industry, trade and other related fields, as well as producers from Serbia, Western Balkans, EU and other parts of the World in their common fields of interests in science, education and good livestock production practice.

Once more, you are kindly invited to participate at this Symposium and visit us in Belgrade, Serbia.

SYMPOSIUM TOPICS

The program of the Symposium will cover the following topics:

1. Breeding, Selection and Reproduction of Domestic Animals
2. Nutrition of Domestic Animals
3. Animal Welfare, Health and Farm Biosecurity
4. Game Animals Production, Fishery and Beekeeping
5. Rural Development, Organization and Economic of Livestock Production
