

What is Global UGRAD?

The Global UGRAD Program is a fully funded academic and cultural exchange program designed to increase participants' knowledge and global connectivity. Global UGRADs come from over 60 countries and study for a semester at universities across the United States.

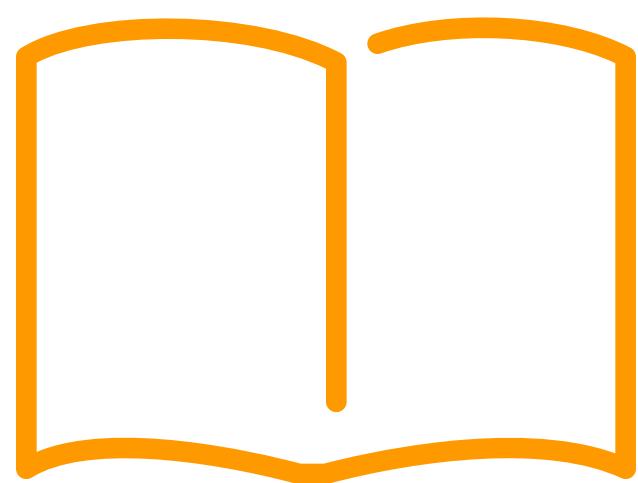

After the program, participants are higher achieving students, stronger leaders, and more actively engaged in their communities.

Undergraduate students from all fields of study are encouraged to apply. This program is open to all, regardless of gender, religion, sexual orientation, or disability.

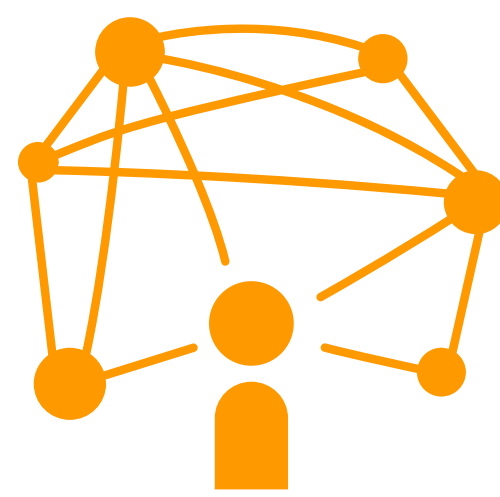

Could you be a Global UGRAD participant?

- Will you have you finished at least 1 semester of college?
- Would you have 1+ semester(s) remaining after the end of the program?
- Will you be 18+ in age at the time of the program's start?
- Are you enrolled as a full time undergraduate student?
- Do you have familiarity with the English language?

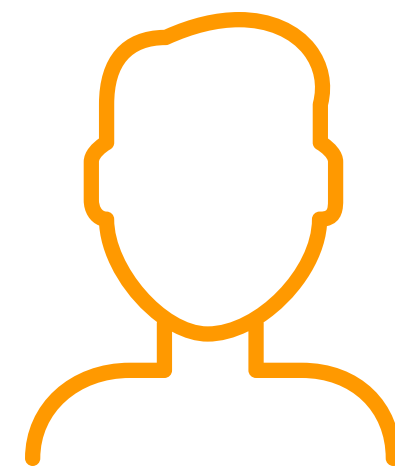

If you answered yes to all of these questions, then Global UGRAD could be for you!
