Programs	PHYSICAL EDUCATION			
Prerequisites	There are no prerequisites for this course			
Aims	To acquire the appropriate skills to understand spoken and written text and competence for oral and written communication in English language, as well as to improve knowledge in the spheres of grammar, vocabulary and pronunciation			
Learning outcomes	After students pass this exam, they will be able to: 1. Independently use specialist literature in a foreign language for the purposes of their own area of expertise and self-education; 2. Apply all necessary language skills: reading, writing, listening and speaking; 3. Devise, write or present an original homework assignment, seminar paper or essay, fulfilling all necessary technical and organisational parameters (using a PowerPoint presentation); 4. Consolidate all verbal tenses and clearly differentiate between them; 5. Plan their studying and demonstrate their knowledge in an overall and well thought-out manner (reading of necessary texts, active participation at lessons and continuous learning); 6. Use English language, both individually and in a team.
