| <b>Prerequisites</b>                 | There are no prerequisites for enrolling in and attending this course.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                 |                     |                                               |
| <b>Aims</b>                          | Training students for independent work (playing, singing, rhythm).                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                 |                     |                                               |
| <b>Learning outcomes</b>             | After passing this exam, the student will be able to: Plan music culture lessons. Differentiate important concepts regarding musical expressive means, types, and forms, enabling students to better understand music. Develop interest, responsibility, and a sense of purpose for various forms of participation in music. Plan music lessons comprehensively, so that their activities and content contribute to the overall and musical development of students. Evaluate students knowledge in various forms (verbally and practically). |                 |                     |                                               |
