Examination methods			Examination methods: Examination is organized through two (oral) tests in which a student receives a practical assignment. At the end of the semester the student takes the final exam. For a passing grade, student must obtain at least 50 points, which can be achieved through colloquia (32 points) and the rest on the final exam. The exam can not be passed if the student does not pass at least one out of three practical cases.			
Special remarks			No			
Comment						
Grade:	F	E	D	C	B	A
Number of points	less than 50 points	greater than or equal to 50 points and less than 60 points	greater than or equal to 60 points and less than 70 points	greater than or equal to 70 points and less than 80 points	greater than or equal to 80 points and less than 90 points	greater than or equal to 90 points
