**Podgorica,
24.11.2021.**

Internet stranica projekta: <https://www.mleuim.ucg.ac.me/>

This project has been funded with support from the European Commission. This presentation reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

- **First Jean Monnet project at the law faculties in Montenegro**
 - **Duration: 2020-2023**
 - **Two-year Master Studies in Business Law**
 - **Topics:** Law of the EU Internal Market, Competition Law, EU Environment Protection Law, Fundamental Rights and Fundamental Freedoms in the EU, Consumer protection...
 - **General goals:** Dissemination of knowledge about the EU internal market, promote the importance of education in this field, to create an atmosphere that encourages academic work and creative process in this area
- **Long term goals:**
 - **Enhance employability of young jurists**
 - **Improve career prospects for young graduates**
 - **Increase opportunities for academic staff for professional and career development**
 - **Support young researchers and professors of EU subjects**
 - **Increase interest in understanding and participating in the European Union**
 - **More active citizenship and improvement for a society as a whole**

- **Mission and vision**

- Montenegro is the front-runner for the next EU Member State - Montenegrin legal profession is in dire need of young professionals educated in all aspects of EU law
- The idea is to better prepare young professionals for the tough challenge of becoming lawyers in an EU Member State and consequentially boost their professional capacities and employability rate
- To create the first generation that will have the strong potential for helping the preparation of Montenegrin legal profession to cope with soon to come very demanding challenges of the full EU membership
