A. BRIEF INTRODUCTION TO KNB SCHOLARSHIP

Kemitraan Negara Berkembang Scholarship, popularly known as KNB Scholarship, is a financial assistance offered by the Indonesian Government to prospective international students coming from developing countries to pursue their master's degree in one of Indonesian universities. The scholarship was conceived in the 10th Conference of Heads of States of Non-Aligned Movement (NAM) countries, 1st–6th September 1992. The Government of Republic of Indonesia began to offer the scholarship to potential students from NAM member countries in the following year.

The regional exclusiveness of the scholarship was revoke in 2002 since it had developed global interest. It was then the scholarship was officially renamed as *Kemitraan Negara Berkembang* Scholarship (KNB) and the recipients were no longer limited to NAM member countries. To date, the scholarship has also been offered to other developing countries in Asia, Pacific, South America, Africa, and Eastern Europe. Eventually, the scholarship is expected to build the people-to-people relations between Indonesia and the recipient countries. It aims at nurturing their future leaders.

KNB offers an experience of studying in top universities in Indonesia and at the same time living in one of the world's most diverse and vibrant society. By getting the scholarship, students will experience quality postgraduate programs managed by the twenty university partners.
