# Useful Weblinks & Databases

The screenshot shows the DAAD website interface. At the top, there is a search bar and navigation links for 'Information for Foreigners', 'Information for Germans', 'Information for Higher Education Institutions', 'German Studies', 'Development Cooperation', and 'About us'. The main heading is 'Finding Scholarships', with a subtext: 'Here you can find information on various kinds of DAAD funding for foreign students, graduates and postdocs as well as on funding offered by other selected organisations.' Below this, there is a 'Refine your selection' section with filters for 'Keyword or programme title', 'Status' (set to 'No restriction'), 'Country of Origin' (set to 'Serbia'), and 'Subject' (set to 'No restriction'). There is also a checkbox for 'DAAD funding programmes only'. The search results show '86 Scholarship options for your selection' with a sorting dropdown set to 'Alphabetically'. Two results are visible: 'DLR – DAAD Research Fellowships' and 'Intensive Language Courses offered in Germany for Foreign Students and Graduates'. Each result includes a 'Status' field with a list of eligible candidates and a brief description of the program.
