Recruitment Notice (Year 2018)

■ About Us

Changsha University of Science & Technology (CSUST) is an engineering-centered multidisciplinary university, integrating engineering, science, management, economics, liberal arts, law, philosophy, and fine arts with a stronghold in undergraduate education and a capacity of post-doctoral science and research workstations, conferment of Doctor's Degree and recommendation of postgraduates for Master's Degree. CSUST has built up a higher level and distinctive undergraduate education system. It has a total of 19 teaching faculties covering 62 undergraduate programs, with over 37,000 undergraduates and nearly 5,000 postgraduates and doctoral degree students on campus. The university has 11 key disciplines on a provincial or ministerial level during the twelfth Five-year Plan period, with the engineering subject ranking among the top 1% of ESI worldwide. It has 3 post-doctoral workstations, 6 primary-discipline and 28 sub-disciplines for doctoral degrees.

The university is opening its arms to recruit talents from in and out of China, join us!

■ Who Do We Want
