

# EU4TECH INVESTOR READINESS PROGRAM 2019

*EU4TECH is a project supported by the European Union*

[www.eu4tech.eu](http://www.eu4tech.eu)

Open to startups and research teams from the Western Balkans Region

Applications ARE OPEN!

**APPLY HERE:** <https://eu4tech.eu/investor-readiness-application-2019/>

- Call will close the 11<sup>th</sup> of March 2019
- Program starting in March and ending 16<sup>th</sup> of May at EU4TECH Investor Forum in Belgrade
- All participants will receive personalized face-to-face and remote coaching from international mentors and will be able to attend Program workshops
- 35 startups and companies will be selected

## Two tracks

- **Starter track** - focused on early stage startups, that are at the very beginning of the investor readiness process
- **Advanced track** - focused on startups that can demonstrate to be advanced in investor readiness

## What do I get from participation in EU4Tech Investment Readiness program?

You will have a chance to present your business project to 20+ international and regional investors. You will also have a chance to arrange a one2one meetings with investors, according to their schedules and availability.

## Who is eligible to apply? Should I be incorporated?

If you are a registered company, regardless the legal structure you can apply. Your company is preferably registered in one of Western Balkans Countries - Albania, Bosnia and Herzegovina, Kosovo\*, the Republic of North Macedonia, Montenegro, and Serbia. *You can also apply if you are not incorporated and you are a research team of a university spin-off, or on track to become a spin-off.*

## What kind of business projects Program supports?

The Program supports all companies which already have or which are developing their own product or service.

---

\* This designation is without prejudice to positions on status and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo declaration of independence.

If you are innovative local business, with aim to expand to other markets and/or scale up your business, you should also apply. You should apply, if you are ready to exchange equity for investment, or if you have other proposals in sense of revenue share.

**Which fields and industries are preferred?**

All fields are accepted

**Who are the mentors and experts?**

You will be granted access and will extensively work with mentors and experts coming from networks of EU4Tech Project partners – Ernst&Young, Inno TSD, MITO Technology and Technology Transfer Interface T3I. Mentor details on [www.eu4tech.eu](http://www.eu4tech.eu)
