

UNIVERSITÉ CÔTE D'AZUR

BALKAN INSTITUTE OF

SCIENCE AND INNOVATION

Dear Students,

Within the activities of our Balkan Institute of Science and Innovation (BISI), we wish to offer you some privileged passes for 4 webinars of introduction to **Deep Learning intended for a non-specialist audience but of scientific culture** as part of our 3IA Deep Learning School event from the University Cote d'Azur.

Access is 100% online, 100% in English, 100% free and supportive to support the training efforts of our economic and academic community. This series of 4 webinars of 45 to 50 minutes can be followed on demand, from now.

How to register?

Participants can register now on the University Cote d'Azur web site [Deep Learning School UCA 2020](#) in category "[Sponsored new member](#)" and indicate as a sponsor: "**3IA BISI**". There are 30 places free for BISI participants, so first 30 registered will have free access!

Registration is required to obtain the individual code allowing access to the content.

Regards

**Srdjan REDZEPAGIC**  
**Director**
