Where to find MSCA-IF-2018 Call

Go to HORIZON 2020 Participant Portal → Funding opportunities → Calls

The screenshot shows the Horizon 2020 Participant Portal interface. On the left, a sidebar lists various funding programs, with 'H2020' highlighted. The main content area is titled 'Calls for Proposals' and features a search filter for 'Horizon 2020'. Under this filter, several categories are listed, with 'Marie-Sklodowska-Curie Actions' selected. Below the filter, there are options to filter by status (Calls with forthcoming topics, Calls with open topics, Calls with only closed topics) and sort by (Call title, Call identifier, Publication date). The search results display three cards for 'Excellent Science' calls, with the 'Marie Skłodowska-Curie Individual Fellowships' card (H2020-MSCA-IF-2018) highlighted.

we apologise for any inconvenience this may cause.

Relevant documents for MSCA-IF-2018

MSCA Work programme 2018-2020

New financial support: Additional financial

support for MSCA researchers with disabilities (available from 1st quarter 2019)

More than *EUR 2.87 billion* available 2018-2020

Guidelines for Applicants MSCA-IF-2018

Will be available at the opening date:

12 April 2018

Proposal templates, evaluation forms and model grant agreements (MGA)

→ **H2020 Online Manual**

- 1 IF Career Restart Panel (CAR) and Reintegration Panel (RI) are strengthened**
 - > Maximum duration of **CAR prolonged to 36 months**.
 - > **More budget** for both panels.
- 2 Part-time work for IF to pursue supplementary activities, such as creating a business, advanced studies, etc.**
 - > **Agreement between supervisor and fellow necessary**.
 - > Minimum working time in MSCA: **≥50%**.
 - > **Proportional extension of project**.
- 3 Possibility to spend time at the European beneficiary before the outgoing mobility**
 - > **Max. 3 months** (part of outgoing phase to ensure knowledge transfer when back).

Main features of the Individual Fellowships

General objective: support the career development and training of researchers in all scientific disciplines through international and intersectoral mobility

Specific objective: enhance the creative and innovative potential of experienced researchers through mobility in a European context (EU Member States and Associated Countries) or outside Europe

Experienced researcher: Post-PhD or equivalent (at least four years of full-time equivalent research experience)

No age limits

Beneficiary: host organisation located in a MS or AC that recruits the experienced researcher and ensures, through appointment of a supervisor, the necessary training of the researcher

Bottom-up approach: research fields are chosen freely by the applicants

Support to **Career Restart, Reintegration** into Europe and **work in non-academic sector**

Optional **secondment** during fellowship (outside host organisation to an organisation in a MS or AC, 3-6 months)

Indicative budget: EUR 273 million

Fully-funded fellowships

Proposals for IF involve a **single beneficiary located in a MS or AC.**

Only one proposal per individual researcher per call !

Types of Individual Fellowships

➤ *European Fellowships*

Standard European Fellowships

Career Restart Panel

Reintegration Panel

Society&Enterprise Panel

➤ *Global Fellowships*

Montenegro
Ministry of Science

European Fellowships

- **Standard European Fellowships** (12-24 months)
 - Experienced researcher of any nationality
 - Mobility from any country to MS or AC
 - Mobility rule: The researcher must not have resided or carried out his/her main activity (work, studies, etc.) in the country of the beneficiary for more than 12 months in the 3 years immediately before the call deadline.
- **Career Restart Panel** (12-24 months)
 - financial support to individual researchers who wish to resume research in Europe after a career break (e.g. after parental leave, working outside research, etc.)
 - Experienced researcher of any nationality
 - Mobility from any country to the MS or AC
 - CAR mobility rule: researcher must not have resided or carried out the main activity (work, studies etc.) in the country of the beneficiary for more than 36 months in the 5 years immediately before the call deadline.
 - Career break: must not have been active in research for at least 12 months immediately prior to the deadline for submission of proposals

Ministry of Science*

European Fellowships

- ***Reintegration Panel*** (12-24 months)
 - support for the researchers who wish to return and reintegrate in a longer term research position in Europe
 - Experienced researcher - national or long-term resident of a MS or AC
 - Mobility directly from a TC (excluding compulsory national service and/or short stays such as holidays) to the MS or AC
 - RI Mobility rule: The researcher must not have resided or carried out the main activity (work, studies, etc.) in the country of the beneficiary for more than 36 months in the 5 years immediately before the call deadline.
- ***Society&Enterprise Panel*** (12-24 months)
 - financial support to career opportunities for researchers seeking to work on R&I projects in an organisation from the non-academic sector
 - Experienced researcher of any nationality
 - Mobility from any country to the MS or AC
 - SE mobility rule: The researcher must not have resided or carried out the main activity (work, studies, etc.) in the country of the beneficiary for more than 36 months in the 5 years immediately before the call deadline.

Global Fellowships

Two mobility phases:

Outgoing phase (12-24 months) - mobility to a partner organisation in a TC for a period of between 12 and 24 months (of which 3 months may be spent at the European beneficiary ensuring transfer of knowledge upon return)

Mandatory return phase - 12-month return period to the beneficiary located in a MS or AC

- Experienced researcher - national or long-term resident of a MS or AC
- Mobility from any country to the partner organisation located in the TC
- Beneficiary must be located in an MS or AC
- Partner organisation for the initial outgoing phase must be situated in a TC (Letter of Commitment)
- GF mobility rule: The researcher must not have resided or carried out their main activity (work, studies, etc.) in the country of the TC partner organisation where the initial outgoing phase takes place for more than 12 months in the 3 years immediately before the call deadline.
