

Take part in the Student Opportunities Programme at the world's largest conference and exhibition dedicated to braking technology

21-23 May 2019

At EuroBrake 2019 the Student Opportunities Programme offers students the chance to attend and take part in the world's largest conference and exhibition dedicated to braking technology:

- Discuss your career options and get CV advice from leading management and HR professionals in the brake industry
- Participate in Round Table sessions and Surgery sessions
- Access the Students' Lounge to network with peers and professionals
- Attend the dedicated student introductory lecture on braking, including a valuable overview of key EuroBrake sessions
- Attend the EuroBrake Dinner
- Gain financial assistance with hotel and travel expenses

You can apply for a sponsored student delegate pass, which will include full access to the Technical Programme and entry to the EuroBrake Exhibition, giving you the chance to connect with organisations at the heart of the industry.

Within the main conference you'll learn about the latest industry innovations and take part in expert discussions on new technology. You're also invited to attend the Strategy Panel session, focusing on key challenges in brake development and the diversity of roles available within the sector.
