MOSKVYCHOVA KATERYNA

Math Teacher

EDUCATION

2010-2019

Candidate of Physical and Mathematical Sciences (comparable to the Academic Degree of Doctor of Philosophy)

Department of Mathematical Analysis and Probability theory,
National Technical University of Ukraine "Igor Sikorsky Kyiv
Polytechnic Institute" (Ukraine)

The main area of my research interests is Data Analysis.

2004-2010

Master of Mathematics

Department of Mathematical Analysis and Probability theory,
National Technical University of Ukraine "Igor Sikorsky Kyiv
Polytechnic Institute" (Ukraine)

TEACHING/WORKING EXPERIENCE

2020-Present

Senior Lecturer

Department of Mathematical Analysis and Probability theory,
National Technical University of Ukraine "Igor Sikorsky Kyiv
Polytechnic Institute" (Ukraine)

I teach Mathematical Analysis, Linear Algebra, Analytics Geometry,
Complex Analysis, Differential Equations and Monte-Carlo Methods.

2013-2020

Assistant Professor

Department of Mathematical Analysis and Probability theory,
National Technical University of Ukraine "Igor Sikorsky Kyiv
Polytechnic Institute" (Ukraine)
