Dear Madam/Sir,

The Faculty of Architecture, "SS. Cyril and Methodius", University in Skopje, organizes the 30th Jubilee Session of its traditional International Summer School. The usual setting for the Summer School is the picturesque village Lazaropole (135 km south-west from Skopje). However, due to the covid crisis this Summer School Session will be organized as an online workshop from 13 September – 19 September 2021.

The topic of the Summer School is: **ESSENTIAL PLACES**
The guest tutor of this year's session is Prof. **MARUŠA ZOREC**.
The course director is Assoc. Prof. Ana Ivanovska Deskova

We would appreciate if you could circulate this information in your school and inform us about the students who are interested to participate in this year's session. The application (CV + portfolio with max. 5 projects) should be sent to the following e-mail: ssarch@arh.ukim.edu.mk not later than July 20. 2021

Further information about this year's session will be available at www.arh.ukim.edu.mk

This Summer School Session does not have participation fee. However, the students are strongly encouraged to visit the village during the summer, prior to the on-line workshop.

We look forward to hearing from you soon.

Sincerely,

Assoc. Prof. Ana Ivanovska Deskova
Course Director of the Summer School - session 2021
