STUDY IN THE UK WITH CHEVENING

Chevening is the UK Government's international scholarship and fellowship programme. Funded by the Foreign, Commonwealth & Development Office (FCDO) and partner organisations, it gives outstanding emerging leaders an opportunity to study in the UK.

Chevening offers two types of awards:

- **Chevening Scholarships:** awarded to talented individuals looking to study a fully funded master's degree at a leading UK university.
- **Chevening Fellowships:** awarded to mid-career professionals looking to study or undertake a research project or professional placement in the UK.

Successful candidates come from a diverse range of countries and backgrounds. However, they all have the passion, vision and skills required to influence positive change in their home countries.

**It doesn't matter where you come from,
it's where you're going that counts.**

WHAT ARE THE BENEFITS OF A CHEVENING SCHOLARSHIP?

This is a unique opportunity to spend a year living and studying in the UK. You will develop your academic ability and skillset, build your personal and professional network, experience a new culture, and commence a lasting, positive relationship with the UK.
