All submitted **documents must be in ENGLISH**. Documents submitted in any other language will not be accepted. It is the applicant's responsibility to ensure that documents are duly translated and certified by a competent office; and that **each document is saved with a name that identifies what it is**.

Application and selection process

The selection process as described below applies to scholarships beginning in September 2022.

Student selection will take place in two phases:

Phase 1: FAO will pre-screen candidates and submit applications to the Ministry of Agriculture of Hungary that will send them to the University. Students must submit only **COMPLETE** dossiers. **Incomplete dossiers will not be considered**. Files without names will not be processed.

Phase 2: Selected candidates may be asked to take a written or oral English examination as part of the admission procedure. The University will run a further selection process and inform each of the successful candidates. Student selection will be made by the University only, without any involvement on the part of FAO. Selected students will also be notified by the Ministry.

Candidates will be selected on the basis of the following criteria:

- Citizenship and residency of one of the eligible countries
- Excellent school achievements
- English language proficiency (for courses taught in English)
- Motivation
- Good health
- Age (candidates under 30 are preferred)

Deadlines

Applications by applicants should be E-MAILED to FAO between

15 January 2022 and 28 February 2022

Paper copies of dossiers received by post or courier or any other way, will not be taken into consideration.

Important notes

Please follow the information about Hungarian entry requirements during the Covid-19 pandemic preparedness period. Subject to final approval, the organisers reserve the right to make changes to the scholarship. The rules related to the pandemic must be strictly followed any times.

Applicants who were not selected in previous years may re-apply to the 2022-2023 Programme. These applicants will have to submit the complete dossier once again by E-MAIL ONLY.

Please note that the **duration of the scholarship cannot be extended or postponed.**

Please be informed that the course will only start if sufficient number of successful applications will be received.

A Scholarship Study Contract will be signed between the selected students and the Ministry of Agriculture of Hungary (MoAH), which is the donor of the program, at the time of first semester registration.

Applicants wishing to explore external funding opportunities to cover the travel costs may do so at their own initiative. However, in view of the length of the process, applicants wishing to apply for 2022 scholarships are strongly encouraged to E-MAIL their application while they endeavour to identify funds or pending confirmation that such funds will be granted.

All queries concerning the programme or the application process should be E-MAILED to FAO at:

REU-Scholarship@fao.org
