First Circular

Celebrating International Day for Biological Diversity,
we are invited you to participate at the

1st International Students' GREEN Conference

which will be held 17-18 May 2018
in Osijek, Croatia

It is our great pleasure to invite you to participate in the 1st International Students' GREEN Conference, which will take place in Osijek, Croatia from May 17th to 18th 2018.

The **1st International Students' GREEN Conference (ISC GREEN 2018)** is organized by the Josip Juraj Strossmayer University of Osijek in collaboration with the International Federation of Environmental Health and the network of higher education and research institutions.

This conference aims at bringing together students of natural, biomedical, technical, biotechnical, humanities and social sciences, as well as enabling the exchange and broadening of students' knowledge. Furthermore, the aim is to promote the multidisciplinary approach to environmental protection, as well as to encourage the implementation of guidelines of sustainable development in everyday life.

CONFERENCE LANGUAGES

The official languages of the Conference are Croatian and English (without simultaneous interpretation).
