

**31TH INTERNATIONAL SCIENTIFIC CONFERENCE ON ECONOMIC
AND SOCIAL DEVELOPMENT – “THE LEGAL CHALLENGES OF
MODERN WORLD”**

Faculty of Law University of Split (Croatia)

7-8 June 2018

On behalf of the Faculty of Law University of Split (Croatia), University of Split (Croatia), University North (Croatia), University Department for Forensic Sciences (Croatia), Faculty of Law University of Mostar (Bosnia and Herzegovina) and Faculty of Management University of Warsaw (Poland) we have great pleasure in inviting You to join in the work of the „*31th International Scientific Conference on Economic and Social Development – The Legal Challenges of Modern World*“, which will take place on 7 – 8 June 2018 at the Faculty of Law University of Split.

It is important to state that this year, the following have expressed their support for the conference: Ministry of Justice Republic of Croatia; Ministry of State Property Republic of Croatia; Croatian Academy of Legal Sciences and Association of Croatian Judges

At conference we would have two round table discussions:

- 1. ENFORCEABLE SETTLEMENT IN FRONT OF COURT OF HONORE AND MEDIATION CENTRE OF CROATIA CHAMBER OF TRADES AND CRAFTS, 7 June 2018.**
- 2. SETTLEMENT IN PRE-TRIAL AND JUDICIAL PROCEEDINGS (Association of Croatian Judges), 8 June 2018.**

More than 100 eminent academicians from 25 countries around the world (*USA, Canada, Australia, Brazil, China, Republic of South Africa, Nigeria, India, Turkey, Russia, Israel, Switzerland, France, Hungary, Italy, Austria, Slovenia, Serbia, Montenegro, Bosnia and Herzegovina, Czech Republic, Lithuania, Poland, Albania, Romania and Croatia*) participate in the work of the Organising, Scientific and Review Conference Board. Significance of the *31th International Scientific Conference on Economic and Social Development – The Legal Challenges of Modern World* was provided by the fact that at last year's conference 80

academicians from 21 countries participated presenting their latest scientific and practical knowledge achieved from the legal perspective of economic relations and application of legal solutions in practice. By comparative analysis of scientific research results, this conference has promoted excellence in the international scientific environment, contributed to promoting young academicians and to the improvement of scientific and practical economic-legal problem areas.

In the aim of bringing the topic of economic and social development of the modern world closer to the academic and professional public; of emphasising the importance of the legal aspect of economic relations and their influence on social development and the promoting excellence in the international scientific environment, conference participants (teaching staff at a large number of domestic and international university constituents; practitioners, judges, attorneys, legal experts, representatives from state administration etc.) within presented lectures would offer the most recent knowledge on the scientific achievements within the conferences set topics of scientific research.

The main legal topic areas of scientific research of the „31th International Scientific Conference on Economic and Social Development – The Legal Challenges of Modern World“ are:

European Principles for effective Public Administration

Legal aspects for improvement to Taxation Systems and Investment Competition

Competition via e-business – business and legal practice

Legal and Forensic aspects of Money Laundering as threats to financial and economic system

Cross- border business of small and middle- sized entrepreneurs

Company Restructuring Procedures – incentive business environment in the EU

Free movement of workers, social affairs and inclusion of family members in the European Union

Insuring Worker Claims

Resolving entrepreneurs' insolvency problems

Debt Collection in civil and company matters- European Payment Orders- European Payment Orders for bank account blockage

Damages due to breaches in market competition

Merchant Supervision and Consumer Administrative Protection

Court or Out of court Settlement as the most effective means of Dispute Resolution

New European court practice in civil and company matters

Legal framework for the development of Tourism Services

Sustainable Development of Transport and Port infrastructure

Climatic Energy framework and Low-Carbon economy

You may choose the topic of your research paper from the list of given topics. In relation to your interests, interests of economic and legal public bodies and given the number of scientific paper received, certain session with their own moderators will be formed. We hope you will be able to register your participation from within the defined thematic areas for the **"31th International Conference on Economic and Social Development - The Legal Challenges of Modern World"** in order to present and/or publish your papers from your respective fields of research. Hope you will also notify your colleagues about this open invitation for participation in this conference.

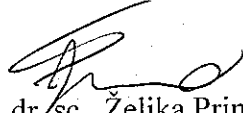

More information about the conference can be found on the conference's web page <https://www.esd-conference.com/conference/32> or You can send e-mail to konferencija@pravst.hr

We are sure you recognise and appreciate the international significance of this conference. Your attendance and participation is invited to all colleagues at your faculty and other related institutions which will contribute to the success of this international conference.

In eager anticipation of your reply,

Prof. Dr. Željko Radić
Dean, Faculty of Law University of Split

Izv. prof. dr./sc. Željka Primorac,
Assistant Professor, President of the Organizing Committee
