Background information

GIZ has been supporting the Regional Pre-Moot competitions since 2008. Pre-Moots serve as a preparation for internationally renowned Arbitration Moots such as the Vis Moot and the Frankfurt Investment Arbitration Moot Court.

They improve the skills of law students in the field of commercial and investment arbitration. Over the years, hundreds of students successfully participated at the Frankfurt Investment Moot, Vis Moot and the regional pre-moot competitions in Belgrade and Skopje.

The Winter School of International Arbitration

Extracurricular training in international arbitration

Complementing the respective Moot Courts by preparing the students for the successful participation.

Providing specific insights in the law of international arbitration

Establishing a cross-border exchange among students and Universities in the region on arbitration law and beyond.

Classes will be taught by distinguished professors from SEE Universities and also distinguished international experts in the field of arbitration

Students will receive certificates upon the completion of each module
