## VIRTUAL CONFERENCE

## 3-Day Virtual Conference: A Platform for Global Leaders

To mark the first anniversary of the global lockdown, ISRM is bringing together **global experts** to review the events of the last year, identify lessons learned and to suggest some strategies both for the long **COVID-19 recovery** but also in terms of national and global **crisis management preparedness**.

The Conference will coincide with the release of the **ISRM Coronavirus Campfire 100 Report**, based on the one hundred Coronavirus Campfires hosted by the ISRM on a twice weekly basis since the start of the global lockdown in March 2020.

**23-25
