December 2008 (current)

Viši naučni saradnik (Senior Research Associate/Senior Research Associate Professor) (July 2021–)

Naučni saradnik (Research Associate/Research Associate Professor) (July 2016 – July 2021); Saradnik u istraživanju (Research Assistant) (Dec 2008–July 2016)

Maintaining exhibits of fish and other sea fauna within "Boka Aquarium" setting, care of aquarium fauna and flora and tank and system maintenance coordination and supervision, acquisition of new specimens for aquarium; research (field and laboratory) and data preparation and processing on population dynamics, reproductive and fishery biology, and biomass estimation of species exploited in small-scale (artisanal) and demersal fisheries in the south Adriatic Sea (Montenegro)

Institute of Marine Biology, University of Montenegro

Put I bokeljske brigade 68 (PO Box 58)

85 330 Kotor

Montenegro

(<http://www.ucg.ac.me/ibm>)

Academic, Research Institute (marine fisheries, biology and aquaculture, marine chemistry)

2009–2015

Consultant (temporary, on as-needed basis)

Maintaining exhibits of fish and other sea fauna within "Boka Aquarium" setting, care of aquarium fauna and flora and tank and system maintenance coordination and supervision, acquisition of new specimens for aquarium; research (field and laboratory) and data preparation and processing on population dynamics, reproductive and fishery biology, and biomass estimation of species exploited in small-scale (artisanal) and demersal fisheries in the south Adriatic Sea (Montenegro)

FAO AdriaMed Project (www.faoadriamed.org), Food and Agriculture Organisation of the United Nations, FAO AdriaMed Project, c/o FIRF (room C535), Viale delle Terme di Caracalla, 00100 Rome, Italy

International organisation (UN)

2013

PhD (Natural Sciences / Interdisciplinary Natural Sciences / Marine Sciences)

Thesis title	“Population dynamics of horned octopus (<i>Eledone cirrhosa</i> Lamarck, 1798) and musky octopus (<i>Eledone moschata</i> Lamarck, 1798) in the south Adriatic”
Principal subjects/Occupational skills covered	Research (field and laboratory) on population dynamics, reproductive and fishery biology and biomass estimation of marine organisms (focus on cephalopods)
Name and type of organisation providing education and training	University of Split, University Centre for Marine Studies; University of Dubrovnik; Institute of Oceanography and Fisheries, Split, Croatia
Level in national or international classification	ISCED 8, EQF 8
Date	2011
Title of qualification awarded	Bachelor's degree in Nautical Sciences
Thesis title	“Certain pathogens in mussels (<i>Mytilus galloprovincialis</i> Lamarck, 1819) dangerous to human health”
Principal subjects/Occupational skills covered	Managing, controlling and maintaining ship and navigational systems, competences for ranks and authorisations in the Merchant Fleet
Name and type of organisation providing education and training	Faculty of Maritime Studies, University of Split, Split, Croatia
Level in national or international classification	ISCED 6, EQF 6
Date	2008
Title of qualification awarded	Master's degree (MSc) equivalent in Marine Fisheries [dipl. ing. (graduated engineer) in marine fisheries]
Thesis title	“Capture-based aquaculture: <i>Thunnus thynnus</i> L. 1750, <i>Epinephelus</i> spp., <i>Anguilla anguilla</i> L. 1758 and <i>Octopus vulgaris</i> Cuvier, 1797, with emphasis on application in the Republic of Croatia”
Principal subjects/Occupational skills covered	Marine fisheries, biology of various marine animals (fish, mammals, cephalopods, crustaceans, other invertebrates), aquaculture, fishing gear, fishing vessels & fishing ports
Name and type of organisation providing education and training	University of Split, University Centre for Marine Studies, Split, Croatia
Level in national or international classification	ISCED 7, EQF 7
Other Skills & Competences	
Computer Skills	• solid familiarity with most of the MS Office program package (Word, Excel, PowerPoint) • moderate familiarity with ViT for Windows, FiSAT II, LFDA 5 and ATrIS fisheries software • basic familiarity with XSA and SS3 stock assessment tools/packages • moderate familiarity with $\text{\LaTeX}$ • basic familiarity with the R statistical environment • basic familiarity with Adobe Acrobat, Lightroom and Photoshop
Driving licence(s)	• holder of the Croatian (EU) driving licence for ‘B’ category of vehicles • Croatian category ‘B’ boat skipper licence (passenger, cargo, fishing and pleasure boats, and yachts up to 30 gt)

Projects

...	Centre of Excellence
2015–2016	Centre of Excellence in Bio-informatics (BIO-ICT), University of Montenegro, Faculty of Electrical Engineering – researcher (marine aquaculture)
...	International and Bilateral projects
2020–2022	Explore Cross-border Aquatic Biodiversity (EXChAngE) (Interreg IPA CBC Croatia–Bosnia and Herzegovina–Montenegro) – researcher
2019–2022	Blue Growth Community — Capitalization & Communication project for Blue Economy Innovation in the Mediterranean (BlueGrowth2) (Interreg Mediterranean) – researcher
2018–2020	Participatory model for the sustainable management of marine and coastal resources and for cross border habitats, biodiversity and ecosystem services safeguard (BLUE LAND) (Interreg IPA CBC Italy–Montenegro–Albania) – researcher
2018–2019	Water landscapes sustainability through reuse of marine litter (WELCOME) (Interreg IPA CBC Italy–Montenegro–Albania) – researcher
2018–2020	Promoting Small Scale Fisheries and Aquaculture transnational Networking in Adriatic-Ionian Macroregion (ARIEL) (Interreg ADRION) – project partner leader
2017–2019	Horizontal Communication & Capitalization project for Innovation in Blue Growth at Mediterranean level (InnoBlueGrowth) (Interreg Mediterranean) – researcher
2017–2018	Fish, crustaceans and bivalves – bioindicators of the environment condition on the Montenegrin coast (Montenegro, Serbia) – researcher
2016	ADRIATIC+ — Sharing marine and coastal cross management experiences in the Adriatic basin) – researcher
2015–2016	Biodiversity and structure of eastern Adriatic coastal fish and other marine organism communities: case studies of Croatia and Montenegro (BIOS) (Montenegro, Croatia) – project leader
2015–2016	Development of a new methodological approach to study the recruitment dynamics of fish and crustaceans in the Kotor Bay (Montenegro, Italy) – researcher
2015–2016	Biological and ecotoxicological research of the coastal area of Croatia and Montenegro (BIOECO-CROMON) (Montenegro, Croatia) – researcher
2014–2017	FA COST Action FA1301—A network for improvement of cephalopod welfare and husbandry in research, aquaculture and fisheries (“CephInAction”) – Management Committee member
2013–2016	Derelict Fishing Gear Management System in the Adriatic Region (De-FishGear) (IPA Adriatic CBC) – researcher
2013–2015	Network for the conservation of cetaceans and sea turtles in the Adriatic (NETCET) (IPA Adriatic CBC) – researcher

2013–2015	MAREA, Specific Project No. 10 — SEDAF – researcher
2013–2014	Comparison of the state of resources in artisanal fisheries along the eastern Adriatic coast (Montenegro, Croatia) – researcher
2011–2012	Analysis of conditions of demersal resources along the eastern Adriatic coast with recommendations for sustainable management and conservation (ADRIJA) (Montenegro, Croatia) – researcher
2010–2012	Sustainable management of marine fishery (IPARD) – researcher
2010– (ongoing)	MEDITS (Mediterranean International Trawl Survey) – researcher
2009– (ongoing)	FAO AdriaMed Project (Scientific Cooperation to Support Responsible Fisheries in the Adriatic sea) – researcher
...	National projects
2012–2015	Monitoring of coastal fisheries and fish fry composition along the Montenegrin coast, with the aim of conservation and sustainable management of marine fisheries (MORM–MONT) – researcher
2008–2011	Biological resources, edible and inedible, in trawl fisheries along Montenegrin coast – researcher, PhD student
Training courses	
2–6 October 2017	Beginners course on “Integrated Assessment Using Stock Synthesis”, General Fisheries Commission for the Mediterranean (GFCM), Rome, Italy
12–14 May, 2015	Seminar/Workshop on the Use of Light-Traps for Capturing Post-Larvae, Institute for coastal marine environment (IAMC), National Research Council (CNR), Capo Granitola, Campobello di Mazara, Italy.
26–30 January, 2015	“Intensive Data Analysis course: Introduction to the R system”, FAO MedSudMed, Rome, Italy.
4–9 November, 2013	“JRC-GFCM-AdriaMed-MedSudMed-EastMed-CopeMed—Joint training course on Improving the Analysis of Fisheries Data: an Introduction to R and the Fisheries Library based on R (FLR)”, Rome, Italy.
12–16 December, 2011	“Introduction to fish stock assessment models”, FAO MedSudMed Project, Sliema, Malta.
11–15 April 2011	“Train the trainers”. ACCOBAMS & Blue World Institute. Kotor, Montenegro.
22–26 November, 2010	“AdriaMed training course on Virtual Population Analysis (VPA) methods in Fish Stock Assessment”. FAO AdriaMed Project, Rome, Italy.
...	trainer
18–22 April, 2016	“Introduction to the R statistical environment”. Institute of oceanography and fisheries, Split, Croatia.
Other	
2018	Member of the Organizing Committee of the International Conference: Adriatic Biodiversity Protection – AdriBioPro2019 (link).
2018	Reviewer for Journal of Oceanology and Limnology, a SpringerNature international peer-reviewed scientific journal cited in the SCI-Expanded (Web of Science) database (https://link.springer.com/journal/343).
2018	Internship Supervisor for a student visiting from the University of Michigan, College of Science, Literature and the Arts, Ann Arbor, USA (01 May – 01 June 2018)
2017	Internship Supervisor for a student visiting from the Institute for Chemistry and Biology of the Marine Environment, Carl von Ossietzky University, Oldenburg, Germany (01 May – 31 July 2017)
2017	Internship Mentor for two students from Gembloux Agro-BioTech, University of Liège, Belgium (03 July – 27 August 2017))

2017	FAO AdriaMed Focal Point for Small-Scale and Sport-Recreational Fisheries
2015–	Reviewer for <i>Acta Adriatica</i> , an international peer-reviewed scientific journal cited in the SCI-Expanded (Web of Science) database (jadran.izor.hr/acta).
2015–2016	Internship Mentor (hon.) at University of Liège, Belgium
2013–	Technical editor of the “ <i>Studia marina</i> ” internationally reviewed scientific journal (www.ucg.ac.me/ibm/studiamarina)
2013–	Member of the working group for Chapter 13 (Fisheries) of the negotiations for accession of Montenegro to the EU
2012–	Member of the working group for changes and improvements to the Law on Marine Fisheries and Mariculture (Montenegro) and supporting rulebooks
2011–	Member of the General Fisheries Commission for the Mediterranean (GFCM) Working Group on Stock Assessment of Demersal Species
2011–	Member of the FAO AdriaMed working group for joint stock assessment of demersal species in GSA 18 (South Adriatic) (Albania, Italy, Montenegro)
