

## MENTORSTVO

### PREDLOŽENI MENTOR/I

|              | Titula, ime i prezime                     | Ustanova i država                                | Naučna oblast  |
|--------------|-------------------------------------------|--------------------------------------------------|----------------|
| Prvi mentor  | Dr Veselinka Grudić,<br>vanredni profesor | Metalurško-tehnološki<br>fakultet, UCG Crna Gora | Fizička hemija |
| Drugi mentor |                                           |                                                  |                |

Sjednica Vijeća organizacione jedinice na kojoj je izvršeno predlaganje mentora

### KOMPETENCIJE MENTORA

|              |   |                                                                                                                                                                                                                                                          |
|--------------|---|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Prvi mentor  | 1 | V. Grudić, I. Bošković, and A. Gezović, Inhibition of Copper Corrosion in NaCl Solution by Propolis Extract, <i>Chem. Biochem. Eng. Q.</i> , <b>32</b> (3) 299–305 (2018)                                                                                |
|              | 2 | Veselinka Grudić, Ivana Bošković, Željko Jaćimović, Sorption kinetics of Cd(II) ions on fermented grape marc, <i>Environment Protection Engineering</i> , 43(4):243-252, (2017)                                                                          |
|              | 3 | V.Grudić, J.Pješčić-Šćepanović, I.Bošković, "Removal of cadmium (II) from aqueous solution using fermented grape marc as a new adsorbent", <i>CI&amp;CEQ</i> ,(2015), 21(2): 285 –293. ISSN 1451-9372                                                    |
