Thursday, June 16

The Future of Erasmus+

- 09:30 The new Erasmus+ Programme 2021-2027 seeks to be more inclusive and diverse, more digital and greener, focusing on environmental protection and sustainability – How can we include previously underrepresented groups more strongly in the future? Can virtual exchange and blended mobility complement physical mobility or will they replace it? Can the need for study abroad, building international networks and advancing university careers on a global scale be reconciled with our sustainability goals?

Key note and good Practices from Partners
