Maksimalni broj bodova za prisustvo predavanjima je 1.

Preostala 2 boda raspoređena su na ostale provjere znanja, i bodovi su proporcionalno skalirani i zaokruženo na 1 decimalu.

Izmjena važi za studente koji ne prenose bodove iz prethodnih studijskih godina.

Napomena: U avgustovskom roku moguće je polagati oba kolokvijuma. Kolokvijum se polaže i iz teorije i iz zadatka i računa se zbirno bolji rezultat (teorija+ zadatak u toku semestra ili teorija +zadatak u avgustu). Za studente koji prijave ispit u avgustu poništava se rezultat sa završnog ispita ostvarenog u julkском roku i on se mora polagati. U avgustovskom roku nije moguće predati elaborat, osim izuzetnim opravdavnim slučajevima.
