

# WEB PROGRAMIRANJE

## -laboratorijska vježba GRAFIKA -

1. Napisati program koji kreira formu datu na slici.

The image shows a Java Swing window titled "Account Information". It features a standard Windows-style title bar with minimize, maximize, and close buttons. The window contains three input fields: a text field for "Username:", a password field for "Password:", and a text area for "Comments:". Below these fields are two buttons, "OK" and "Cancel", arranged horizontally. The window has a light gray background and a blue border.

2. Napisati program kojim se preko JOptionPane-a od korisnika traži unos imena i prezimena, kao i njegovih godina, i koji kao rezultat ispisuje odgovarajuću poruku.
