🦋 Discover Your Path to Environmental Leadership: Join Us at the **MEP&M Fair!** 🚢

Dear future *Masters in Maritime Environmental Protection & Management*,  
dear stakeholders, project partners, media representatives, colleagues,

The Faculty of Maritime Studies and Institute of Marine Biology of the University of Montenegro are proud to announce the first accredited interdisciplinary Joint Master's program in English dedicated to this crucial field. Therefore, we invite you to be part of this historic journey!

## Why attend the MEP&M Fair?

\*

Be among the first to explore this revolutionary program designed to equip you with the knowledge, skills, and expertise needed to address pressing environmental challenges in the maritime sector.

\*

Engage with esteemed faculty and institute members and industry representatives who will share their insights, experiences, and invaluable advice to help you navigate your academic journey effectively.

\*

Immerse yourself in interactive sessions tailored to provide you with a comprehensive understanding of the program's curriculum, research opportunities, and career pathways.

\*

Connect with future fellow BSc graduates and professionals, and potential mentors who share your passion for environmental stewardship. Forge meaningful connections and lay the groundwork for future collaborations and partnerships.

\*

Discover how this program can serve as a catalyst for your personal and professional growth, opening doors to exciting career opportunities in sectors such as maritime logistics, environmental consulting, policy-making, and more.

## Save the Date:

 **Date:** April 4<sup>th</sup>, 2024

 **Time:** 09:30 – 13:30

 **Venue:** Faculty of Maritime Studies Kotor, Put I Bokeljske brigade 44  
Kotor

Join us at the Fair organized as part of the *Open Day* event, symbolically celebrating Student Day and providing an opportunity for all students and professionals to learn about the application process and studying at the first accredited interdisciplinary joint master's program in Montenegro. Let's embark on a journey towards a sustainable future, where your passion for environmental protection meets world-class education and innovative solutions.

Don't miss out on this opportunity to be part of something extraordinary, starting with the MEP&M Fair!
