Blended Intensive Programme (BIP)

- Short intensive programme that include collaborative learning and teamwork
- They include a virtual component complemented by a physical mobility (the physical aspect lasts from 5 to 30 days)
- Successful completion of the programme grants the students with a minimum of 3 ECTS credits

Example of a Blended Intensive Programme:

Entrepreneurship Camp in Nice - June 2024

- **Virtual component:** Initial meeting and introduction, meeting professors, as well as individual work on pre-assignment with online consultations with professors
- **Physical component:** A 5-day intensive camp in Nice involving teamwork and solving real and practical problems
- **Virtual component:** After the completion of the camp - report writing
