

SKILLS

HIGH LEVEL AND MARKET-RESPONDENT
COMPETENCES FOR A BLUE AND DIGITALIZED
“SMART AND SKILLED SOUTH ADRIATIC”

SOCIAL

Skills - High level and market-respondent competences for a blue and digitalized smart and skilled South Adriatic, is a project funded by the European Union under the Interreg IPA South Adriatic Programme 2021-2027.

Duration

start date - end date

01.09.2023 - 31.12.2027

Main Goal

The SKILLS project intends to enhance the availability of qualified competencies and skills in the labor market, particularly focusing on the blue economy sectors in the South Adriatic region, by improving educational paths, establishing new ones, and implementing on-the-job training schemes.

Total budget

4,799,509.92 €

EU funding

3,991,460.95 €

Project Partners

Lead partner - University of Montenegro Institute of Marine Biology (**Montenegro**)

Partner - Puglia Region, Department of Labour Market Policies, Education, Training, (**Italy**)

Partner - Molise Region, Service for the competitiveness of productive systems (**Italy**)

Partner - State Agency for Strategic Programming and Aid Coordination (**Albania**)

Partner - Ministry of Economic Development (**Montenegro**)

Project main activities - Expected output/results

The SKILLS project develops and tests educational and training schemes to boost blue economy growth in the South Adriatic area. The University of Montenegro leads the project, while partners from Italy, Albania, and Montenegro contribute through strategy development, on-demand voucher schemes, cross-border innovative learning modules, and industry-oriented labs. The partners focus on harmonizing education and training systems, enhancing workforce skills, and improving industry capacities by fostering collaboration between academia, VET providers, and businesses.
